The Prez Sez:

I hope everyone had a spectacular holiday season. Mine was **very** enjoyable as I am blessed to be surrounded by friends, family, and loved ones and I am fortunate and thankful for the good health of myself and those that are close to me. As we approach the end of 2016, many are remembering those that were lost over the past year. My sincere condolences go out to all who have suffered a loss or sickness of a loved one. Life is short and precious. Live it to its fullest.

The coming year, 2017, promises to be an exciting one. With new political players being sworn into office and the possibility of immense changes in government policy and outlook, both social and fiscal concerns will likely be hotly debated. As I mention this, I encourage everyone to understand that the needs of others may differ from their own, but that does not necessarily mean that either party is wrong. Others may be simply looking at a very similar situation to your own from a slightly different viewpoint or set of circumstances. I truly believe that the vast majority of our fellow citizens honestly want the same things as most of these ideals are simply "common sense". We all want a balanced budget, we all want low taxes, we all want sustainable economic growth, we all want affordable health care, we all want gainful employment, we all want a strong and well maintained military, we all want a well maintained infrastructure, we all want the ability to retire with financial security, we all want our veterans to be cared for, we all want secure borders, we all want freedom of religion and from all types of discrimination, we all want safety from terroristic threats, criminal acts, and natural disasters, and this list goes on and on.

These are all simple ideals, the only real questions are how we attain them. These aren't difficult questions; however, the answers are often strongly influenced by those with personal economic interest. Too often I am forced to say "Follow the Money" when I am listening to published viewpoints. Please do your part in the coming year to research and understand the actual issues not just the hype that is presented by the TV pundits that are paid to convince you of **their** true goals. There is no doubt that 2017 will be interesting.

And speaking of 2017 being interesting, Hey! It's ski season! The mountains are open and our trips will be leaving before you know it. Get yourself signed up and get out there and tear it up! If you are considering lessons, that is great! If you don't think you need lessons, you are definitely missing out on the chance to improve your day on the slopes. For those of you who have had the chance to ski with me, you know that I should be taking more lessons this year. And yes, I will be doing that :) (Continued on Page 9)

Trip Committee Update:

The Trip Committee hopes everyone had a safe and enjoyable Holiday Season. Early season snows have already kicked off the skiing/boarding season! Are you ready? Hopefully Santa was good to you! Can't wait to try out your new equipment and/or show off your new clothing? Join fellow skiers/boarders on a 2017 LSC trip!! Sign up today! We have lots of great options and still have space for:

Whiteface/Lake Placid, January 26-29, 2017. This is the Eastern PA Ski Council (EPSC) Carnival trip. It's a great opportunity to ski/board, enjoy the Olympic Village offerings, and meet people from other EPSC clubs. To date, Whiteface has already received **over 90 inches of fresh snow** (with almost a foot of new snow in the last 7 days)! Don't miss this trip and all its inclusions! Rooms will be released in the next 10 days, so sign up today by contacting Kris Miller.

Elk Mountain, Friday, February 3, 2017. The first day trip of the year! This annual day trip is to one of our favorite PA Mountains. It includes lunch! Please contact Jason Frederick to get signed up today.

Mont Tremblant, Canada, the #1 Ski destination in the East! Dates: February 26, 2017- March 3, 2017, is our combined trip with Merck. Tremblant already has 84 of 96 trails open for your skiing/boarding pleasure and the Village has all sorts of great offerings for you to enjoy. Contact Jon Doman to sign up today!

TRIP PARKING: Parking for all trips is at Skyline Pools, across from the Eden Resort. Please remember to **park as a group** in an area designated by the trip leader. Parking as a group is required by the Manheim Township Recreation Commission, which allow us to park in their space. Parking as a group also allows for appropriate snowplowing and the bus to maneuver around the parking lot. **Your cooperation is greatly appreciated.**

The Trip Committee will be meeting beginning in February to start the planning process for the '17/'18 ski/snowboard season. The Trip Committee welcomes any new trip ideas or destinations you have to recommend. Let us know what locations pique your interest. Please contact Jon Doman or Patrick Lever with your ideas or suggestions.

If you have any questions concerning trips, trip application, or the sign-up policy, please contact me directly.

TRIP SIGN-UP POLICY

1. ELIGIBILITY:

A. Weekend and major trips are only open to LSC members unless otherwise designated by the Board of Directors ("BOD"). Day trips will be open to non-members 30 days after they are open to members. For the purposes of trip eligibility, a person is considered a member upon receipt of their membership application and dues.

B. Trips are open to eligible Adult (21 and over) and Junior (18-21) members. Family members less than 18 years of age are eligible to participate on trips (unless the trip is designated as "Adults only"), but must be accompanied by a parent or guardian. Grandchildren of eligible members under age 18 are included as family members.

2. CONFIRMATION AND PAYMENTS:

A. Sign-up for all club trips must include a valid check (no cash) for the initial deposit and a completed application form.

B. Trips will be filled as follows: Applications received by US Mail will have first priority and will be accepted in the order of postmark date, beginning with the opening date as announced in the LSC *Steep and Deep* publication. Applications postmarked prior to the opening date are invalid and will be returned. Hand-delivered applications will be recorded after postmarked ones of that same date, in the order that they are received. Metered, uncanceled and illegibly postmarked mail will be considered as postmarked the day before delivery.

C. If there are more applications with the same postmark than available spaces, a lottery system will be utilized. Delayed mail received more than 7 days after the postmark date will not receive priority over other applications already received.

D. The initial deposit amount and the schedule for the remaining payments will be stated in the official announcement for each trip. **A \$10.00 per week late fee applies for all payments not received or postmarked by the due date.**

E. Returned checks will subject applicant to a \$25.00 penalty plus actual bank charges incurred by LSC. Further, the status of any participant whose check is returned will be determined to be unpaid until the original check and all related charges are satisfied. Actions to be taken as a result of the unpaid status of the participant will be at the discretion of the BOD on a case-by-case basis, as stated the LSC Bylaws.

3. CANCELLATIONS:

A. If a trip participant cancels off a trip, it is the participant's responsibility, not the trip leader's, to find a replacement. The participant **MUST** contact the trip leader to give notification of their desire to cancel and get the names of those on the waiting list.

B. The cancellation policy covering costs, penalty fees and refunds will be stated in the official announcement for each trip.

C. LSC shall not be responsible for trip cancellations or delays due to events or conditions not within the control of LSC. In such an event, the trip chairperson and trip leader will make every effort to recovery any costs. To the extent that such costs are able to be recovered, appropriate refunds may be made to the trip participants at the discretion of the BOD. Optional travel insurance is available through various insurance companies.

4. ROOM REQUESTS:

A. Room requests should be specified on the application form. Although every effort will be made to honor these requests, we cannot guarantee them due to lodging configurations.

B. Trip Applicants are encouraged to sign up as a full unit. If the applicant does not have a full unit they must be willing to accept and pay for the best available rooming option as determined by the trip leader.

5. RELEASE OF LIABILITY: By signing this trip application form the following stipulations apply. It is understood and accepted that skiing/boarding is an inherently dangerous sport with associated risks. All such risks are assumed, whether skiing/boarding or non-skiing. LSC, its Board of Directors or trip leaders shall not be held responsible for any claims, injuries, or losses of any kind as a result of participation in this trip or activity.

6. TRIP CHANGE POLICY: The Lancaster Ski Club reserves the right to make changes in trip details where such changes are in the best interest of the Lancaster Ski Club and the trip participants. Neither Lancaster Ski Club nor its representatives assume any obligation or responsibility for any matters not within their control. **Any fuel surcharges/taxes and/or supplements added after the initial pricing of the trip at sign-up are the sole responsibility of the trip participant.**

THE ANNUAL JACK KALASKY LSC MEMORIAL AUCTION THURSDAY FEBRUARY 16, 2017

**LSC NEEDS MORE MEMBERS AND GUESTS TO
DONATE TO THE AUCTION! THE SPECIAL OLYMPIANS
ARE COUNTING ON YOU, SO DON'T LET THEM DOWN!**

How? Whenever and wherever you go out to EAT OR DRINK, speak with the manager and ask for a gift certificate to benefit SPECIAL OLYMPICS. Wherever you shop, also ask for a gift certificate. Businesses are usually very generous when they know it is for a good cause and they see you as a customer.

Also, check around the house and closets for clean, lightly used items that can be donated to the auction. Those old straight skis can be made into shot-skis or hung on the wall in your man cave.

Then send a list of each item you plan to donate, along with their respective retail values, to Kathy Burnett at kcburnett@dejazzd.com by Monday, February 13, 2017. After Kathy gets your list, she inventories and numbers each item, which is very time consuming, so please give her as much time as possible. Next just bring your items to the auction on February 16th and Kathy will give you numbers for your items. Then on auction night, just sit back and enjoy one of the best LSC events of the year. Easy!

Many thanks go out to Kathy Burnett for all her hard work as auction coordinator, especially since it is during her very busy tax season.

SEE YOU AT THE AUCTION AT LOXLEYS!

Prez Sez (continued from Page 2)

Our February membership meeting at Loxley's will be featuring the Jack Kalasky Memorial Auction to benefit Special Olympics. For those of you who knew Jack, you know that he was a wonderful person who cared deeply about everyone and would always be there to help whenever he could. Please join us at the auction and honor Jack as he would do for us. If you would like to be involved or have any items to donate, please see Gee's article in this publication for contact information.
