

Jack Kalasky Memorial Auction Recap

WOW!!! What an action-packed auction. To anyone who left early, you missed a good one!! It was like leaving the 2018 Super Bowl – You can't leave till it's over. We, all working together, **raised a Record Grand Total of \$9,315.00!!** Clarke, from Witman Auctioneers rallied the crowd, made it lots of fun, and kept the bidding moving, along with his team of Luke and Doug. Witman Auctioneers are by far the "Best Auction Company around, with a Wonderful Team of Experts"!! Special Olympian Athletes Brad & Elliott were on hand to deliver the items to the winning bidders. Thank You Gentlemen! Sammy Young (Special Athlete), contributed to the Auction as well by donating his own personal item – Thank You Sammy!

Many of our members really worked hard at getting a great number of gift certificates from local stores and restaurants. They also brought many nice items such as theater tickets, a one night stay at the Heritage Hotel, Jay and Jason's box of homemade canned goods, Hedy's Dutch Gold Honey, Betty's "Murder on the Grill" Mystery Dinner for 8, Dick's (2) sets of fishing gear, many gift baskets, slightly used skis, a brand new set of snowshoes, Grant's (2) shot-skis, goggles, tropical jams & jellies, and dozens of items that went for top dollar! Some donations came from Tremblant, Snowmass Colorado, and (1) came all the way from Andorra!! Other Top Dollar items were Bruce's "Day on the Bay", (2) other boat trips (1 on a 46' cruiser from Darren & Tracy and the other, a 40' Mainship Trawler from Gene & Anneliese, some of our newest members – Welcome!), and Gee's Skiers Dinner for (8) which brought a whopping \$1,900!!

A very Heartfelt "Thank You" to all of our wonderful members who gave of their time and talents, helping on the committee, all those who donated items, went out into the community and asked for donations, and those who attended the event and kept the bidding going! And last but not least, again to Witman Auctioneers – Thank You!! We hope even more members will join us next year for this most worthwhile event, as the LSC does their part in giving back to our local community!!
