PREZ SEZ

I am truly honored to have the title of President for the Lancaster Ski Club. I am so thrilled to be a part of this wonderful legacy and I look forward to the future of this club. It has been amazing to have this in common with my dad, Jon Doman. We have the same goals of making sure this club is a great success for years to come. I sure do have big shoes to fill! It was so amazing to be able to present to him and Stefanie lifetime membership of the club at our spring dance. In case you missed it- they were both presented a lifetime membership to the club for all of their hard work and dedication. My dad has been the trip chairperson since 2006, and we all know that is one of the most time-consuming positions! Speaking of spring dance- thank you to all who attended! We were so thrilled with the venue; we already have a 2023 date booked!

For those who do not know me well, I live in Willow Street with my husband, Dennis, and our two girls, Chloe and Molly. I may not go on a lot of ski trips with the club, but as my kids are now getting older and life is getting easier, we are excited to get on more trips! Chloe will be going into middle school in the fall and loves to ski! She has successfully gone down Minute Man at Roundtop and it was such a proud moment for me! Molly will be going into first grade in the fall. She will be getting on skis for the first time this coming winter and I have a feeling she will be fearless and love the speed! I enjoy spending time with my family, swimming in our pool, camping, hiking and skiing. I am a realtor and work for Keller Williams Elite here in Lancaster. I have lived here my whole life and think Lancaster is such a fun place to live!

We have a great board of directors and have new ideas on what we can start implementing to make our club even better! When you see Justine, our new secretary, please give her a warm welcome to the club. She is one of my best friends who loves the ski club and our fun social events. I am so excited to get things in motion for our summer events as well as awesome ski trips we have lined up. Our summer events will include a summer picnic, Sickman's Mill Tubing, and Show and Go Bike Ride. Major ski trips for this upcoming season are posted on our website. To help you better plan for the ski season, all of our trips will be to IKON pass destinations.

This club would not be a club without all of our wonderful members! Our club thrives when we all come together to make each event successful and the memories last a life time. We are always looking for volunteers to help our smooth running of operations. If you are not interested in becoming a board or chair member, do not worry! There is always something we could use an extra set of hands on. If you are interested in getting more involved and helping, I would love to connect with you!

Looking forward to seeing everyone at our summer events!

Sincerely,
Kris Miller

Trip Committee Update

To help you better plan for the upcoming season the Lancaster Ski Club will be running all Major and Weekend trips to IKON PASS destination mountains for the 2022-2023 season. When purchasing an IKON PASS please make sure the pass you buy will cover all the ski destinations that the Lancaster Ski Club will be offering this coming season.

Sun Valley, Idaho January 21-28, 2023. For those that do not purchase an IKON Pass we will have group Lift tickets available for this trip. Trip Leader – Jon Doman

We checked with Sun Valley's policy on Senior Lift tickets, below is their response:

Is there a senior price? If so, net group rate and age eligibility? Or is the group rate that you will be providing better? There is a walkup senior price for 65+, we do not offer group senior tickets. It is hard to say at this stage whether the group rate will be better than the walkup senior rate or not.

Is there an age when Seniors can ski for free? Not currently

Stratton Mt., VT. February 3-5, 2023. Friday-Sunday trip. Leaving Lancaster around 3-4pm on a Friday. Trip Leader – Patrick Lever

Sugarloaf, Maine February 8-12, 2023, with Thurs-Sat as ski/snowboard days. Please remember that there will be Wi-Fi on the bus so you may have an opportunity to do some work during the travel days of the trip. Trip Leader – Michael Jury

Ski Utah Safari March 4-10, 2023. We will be staying in Ogden, Utah and taking a private charter bus each day (5 days of skiing/boarding). Alta, Brighton, Solitude, Snowbird and Snowbasin. Trip Leader – TBD

Pricing and details for all the above trips will be coming out in June. Please watch for updates on the Lancaster Ski Club website and Eblasts.

The Lancaster Ski Club is having a link on our website for you to have a direct link to purchase your IKON passes. Using this link will get you a discount off the normal price of the IKON pass. Please be patient as we work through completing this process.

If you have any questions regarding the trips, the trip application, or sign-up policy or would like to be considered as a trip leader or to serve on the Trip Committee, please contact me directly.
