The Prez Sez

At this point in the year the ski/board season is probably over for most of us. Even though it is late in the season that doesn't mean we finished with trips early. We had a late trip out to Mount Snow and I hope everyone that participated had a great time. The inclusion of the beer festival on Saturday was an interesting addition to the trip. I believe this was one of the latest trips we have run in recent memory. For some of you there might still be some time maybe, just maybe, for one more trip out.

The trip committee put together an excellent selection of trips for the club this year. They should be meeting again soon to start preparing for next year. The trip committee will look at feedback from our various trips to decide where we should plan to go for next year. Many dedicated hours are provided by the trip committee and the members of the LSC board to keep the club operating smoothly. It really does take the hard work and dedication of our elected board members to make the club what it has become. I ask that you personally thank our board members when you see them because it really is not just a group but a team effort to run this amazing club. To the rest of the board I say thank you for your hard work and dedication.

Don't forget if you need to add one more event to your calendar for the month of April, then don't miss the LSC Spring Dance. The spring dance will be held once again at the Conestoga Country Club on April 13th, 2019 so don't delay and purchase your tickets today. Tickets may be purchased from our social chair Devera Kazmerski or any board member. More details about this event can be found in this flyer so read on for all the event details.

Be sure to check our website, monthly flyers and e-mail blasts for news on upcoming happy hours, special events, next year's ski trips and other exciting activities.

I hope to see you all soon.
