The Prez Sez:

I cannot believe it but summer is officially here. One thing I look forward too during this time of year is next year's ski trips. I like to think of it a little like Christmas in July. Our trip committee elves have been hard at work planning some exciting destinations for the 2018-2019 season. I have been to several trip committee meetings and I think you will find a trip that will be to your liking from our selection this season.

Trip contract details are still being finalized with vendors but trip sign-ups should be available starting in July. These trips will certainly sell out quickly. Be sure that your membership application or renewal is turned in to ensure your trip application is approved without delay. Just in case you needed an extra reminder the membership year ended on April 30th.

I have a personal ski trip which is still in the planning stages. Unfortunately, my trip couldn't be with the club this year but that doesn't mean you won't see me on an LSC trip this season. From a logistical point of view, I would say that going on club organized trips is certainly easier with this many people involved. This trip is to commemorate a decade since seven friends first skied/boarded together for the first time. It will be a great trip with fun shared by all in my small group. To find out where I'm going you'll have to ask me at the corn roast in August.

Be sure to check our website, monthly flyers and e-mail blasts for news on upcoming happy hours, summer events, next year's ski trips and other exciting activities. Also, please check out our new website and activate your account. Instructions for account activation were sent out via e-mail in case you missed it. If you have questions about the process please contact club treasurer, Brian Leatherman.

I hope all of you are having a fantastic summer, see you soon!
