The Prez Sez

The birds are singing, the flowers are coming into bloom and spring has finally arrived. This past month's annual LSC Spring Dance was a fantastic time. We had great food, an excellent band in Bob Noble and The Blue Voodoo, and fantastic company for the evening among fellow LSC members. If you missed the dance this year or couldn't make it, I would encourage you to come out next year it is an entertaining evening.

I would once again like to thank the outgoing LSC board for all their hard work and dedication that made this past year a success. We have seen some changes and had a few challenges along the way, but we have persevered together. The incoming group of board members is one which I look forward to working with again. We are always looking for motivated individuals interested in helping the club be it serving on the board or volunteering to help run an event.

It is once again that time of year, time to renew your club membership. If you haven't received a reminder e-mail yet you should be receiving one shortly. You may renew by mail or online through our club website. It is also time to check into your membership profile on our website and ensure that all contact information is correct. If you renewed your membership by mail and did not submit a membership form with your renewal the information we have on file may not be current. If the information we have is incorrect that means it will not appear as correct when printed in the directory.

Be sure to check our website, monthly flyers and e-mail blasts for news on upcoming happy hours, special events, next year's ski trips and other exciting activities.

I hope to see you all soon.

Trip Committee Update

The Trip Committee would like to thank everyone that signed up for this year's trips. We hope you had an enjoyable time and are looking forward to next year's lineup of trips.

With everyone's help in filling out the surveys we are in the planning stages for the 2019/2020 ski/snowboard season, so stay tuned for updated information.

Some of the possible destinations that the Trip Committee will be looking at are Big Sky as a possible weeklong trip. Other possible mini and long weekend destinations are Sunday River and Jay Peak.

The Trip Committee is looking for volunteers to learn the process of running a trip. All volunteers would start out with leading a day trip. Also, if you have any questions concerning the trips, trip application or our sign up policy, please contact Jon Doman directly.
