The Prez Sez:

Hot, humid, sunny days are flying by as we are halfway through summer. I hope yours is going well and you are enjoying every moment. We should all do our best to see and do as much as we can. At the end of summer, I want to be able to smile and say, "That was a heck of a ride. I wouldn't change a thing."

The month of August, along with George and Joyce Biemesderfer, host our world famous Corn Roast at the Dell in Mount Joy. For over 50 years, this has been one of the club's premier events and this year's will be as good as always. This event has always been one of the first ski trip planning days to find out where everyone is going. The trip leaders will all have displays and information for the fabulous destinations our club is venturing to this coming season. Bring your vacation calendar and an appetite and join us on the 19th for some of the best corn of the summer.

Devera has been very busy working on a seemingly endless list of upcoming events. In addition to the Corn Roast, August will also feature a day of kayaking on the river, an evening of music and wine tasting at Nissley Vineyards, and also a bunch of happy hours thrown in for good measure. She has been just as busy working on September - another winery visit (hmm, I see a pattern here) as well as more happy hours. See this flyer or the social media sites for more information on these events.

Don has our first membership meeting of the season planned for September 21st at The Pressroom on King Street. This will be our first meeting at this venue and they are very excited to have us. We will have the Special Olympics Ski Team as well as the Wounded Warrior Patrol as guests and they will be giving presentations about their groups. Please join us and we will get our season off with a great start.

I hope everyone enjoys the rest of the summer. I look forward to seeing you all soon and hearing stories of how great your summers are.

River Kayaking continued from front page:

KAYAK THE SUSQUEHANNA

New Date! Come out on Saturday August 26, 2017 and join in the fun for a Great Day kayaking the Susquehanna River paralleling along the Northwest Rail Trail! Water level will determine where we start and end. We will paddle on the Beautiful Susquehanna River and when completed will frequent some of the most famous taverns in Marietta! Bring a lunch or some of your favorite snacks to share as we venture down the river! We will experience some mild whitewater and calm areas as well.

Keep in mind that kayaks/canoes must be registered in the State of PA with a valid sticker attached to your unpowered boat, you must wear an approved life jacket while on the river, and you must have a whistle attached to your life vest at all times. Kayaks will be available for rental at Chiques Rock Outfitters in Columbia by the River Park at the bottom of Locust St, phone # 717-475-6196. Shuttle transportation is available from CRO if needed as well, at a minimal cost.

Registration is required with the Pennsylvania Fish and Boat Commission when having large groups (15 or more), launching at the same location! Deadline for registering is Saturday August 19th.

If interested in this very exciting adventure, please text, call, or email me to discuss rentals, registrations, transportation, etc. Hope you all will be available to join us on this fantastic float down the Beautiful Susquehanna River!!

Trip Committee Update

The Trip Committee would like to thank everyone that has signed up so far for the 2017/2018 ski/boarding season trips to Lake Tahoe and Utah at the Zermatt Utah Resort.

More good news! Dates have now also been set for our two weekend trips:

Gore Mountain, NY February 2-4, 2018
Killington, VT February 23-25, 2018

Pricing, trip details, and trip sign-ups for the weekend trips will be available at the Annual Lancaster Ski Club Corn Roast on Saturday August 19, 2017. So bring your checkbooks and let the weekend trip sign-ups begin that night! Only \$50.00 will be needed per person for your initial deposit. Our weekend trips will also have pricing available for triple and quad occupancy. Please check with trip leader for pricing. Also please note: **Trip leaders will not room more than two people per room for any overnight trip.** To take advantage of the triple and quad pricing for the weekend trips, you must sign up together as a triple or quad with your full room group, at initial sign-up.

Final contract details are still being finalized for the Merck Ski Association trip to Europe in January 2018. The Merck trip flyer will be posted on the LSC website as soon as it is available.

To sign up for a trip, please complete your trip application form and send it along with **a clear copy of your current passport for all trips with Foreign Air Travel and either a copy of your current PA Driver's License or current Passport for Domestic Air Travel (IMPORTANT: expired passports or drivers licenses will not be accepted)**, a deposit check, made payable to the Lancaster Ski Club or the Merck Ski Association (ONLY for the Andorra/Barcelona trip). Please note the name of the trip in the comments section on the check. Please read over the trip application and cancellation policy carefully before signing up for a trip. All of the above information should be sent to the designated trip leader for each trip. All trips are open to all members. All trips are subject to additional fuel surcharges/taxes and or supplements which are the sole responsibility of the trip participant.

To avoid penalties with the airlines and lodging, we are required to reach a minimum paid number of attendees for each trip; therefore frequent flyer miles may not be used on club trips. If we do not reach our minimum paid number of trip participants, the trip may incur additional costs (which will be assessed to each trip participant). Please check with the trip chairperson if you have any questions.

In addition to our day trips to **Elk Mountain, Seven Springs, and Blue Knob**, we are considering a day trip to **Big Boulder/Jack Frost** and/or to **Whitetail** as a drive up/car pool trip, and also a midweek one or two night drive up/car pool trip to **Ski Windham** in February.

If you have any questions regarding the trips, trip application or sign up policy or if you would be interested in being considered as a trip leader please contact the Trip Chairperson directly.

Show N' Go Bike Ride Recap

July 22nd brought a hot and humid day - but lots of shade - on the Lebanon Valley Rail Trail. About thirty of us enjoyed a nice morning ride, followed by some cooling beverages and lunch at the Hide-A-Way Restaurant. Email Riders outnumbered LSC riders 2 to 1. No spills or any breakdowns - thankfully all riders completed their rides okay, and a few cyclists saw some deer along the trail. We did split the rides, with some heading toward Elizabethtown, while most cycled toward Lebanon and up and over Mount Gretna - a nice, steady, slightly-uphill climb. The trail was in good shape with some added paved areas in spots. In all, we had a good turnout and some nice cycling without any thunderstorms. I know there are more than 10 cyclists in LSC, so be sure to join in the fun the next time we ride!

TRIP SIGN-UP POLICY

1. ELIGIBILITY:

A. Weekend and major trips are only open to LSC members unless otherwise designated by the Board of Directors ("BOD"). Day trips will be open to non-members 30 days after they are open to members. For the purposes of trip eligibility, a person is considered a member upon receipt of their membership application and dues.

B. Trips are open to eligible Adult (21 and over) and Junior (18-21) members. Family members less than 18 years of age are eligible to participate on trips (unless the trip is designated as "Adults only"), but must be accompanied by a parent or guardian. Grandchildren of eligible members under age 18 are included as family members.

2. CONFIRMATION AND PAYMENTS:

A. Sign-up for all club trips must include a valid check (no cash) for the initial deposit and a completed application form.

B. Trips will be filled as follows: Applications received by US Mail will have first priority and will be accepted in the order of postmark date, beginning with the opening date as announced in the LSC *Steep and Deep* publication. Applications postmarked prior to the opening date are invalid and will be returned. Hand-delivered applications will be recorded after postmarked ones of that same date, in the order that they are received. Metered, uncanceled and illegibly postmarked mail will be considered as postmarked the day before delivery.

C. If there are more applications with the same postmark than available spaces, a lottery system will be utilized. Delayed mail received more than 7 days after the postmark date will not receive priority over other applications already received.

D. The initial deposit amount and the schedule for the remaining payments will be stated in the official announcement for each trip. **A \$10.00 per week late fee applies for all payments not received or postmarked by the due date.**

E. Returned checks will subject applicant to a \$25.00 penalty plus actual bank charges incurred by LSC. Further, the status of any participant whose check is returned will be determined to be unpaid until the original check and all related charges are satisfied. Actions to be taken as a result of the unpaid status of the participant will be at the discretion of the BOD on a case-by-case basis, as stated the LSC Bylaws.

3. CANCELLATIONS:

A. If a trip participant cancels off a trip, it is the participant's responsibility, not the trip leader's, to find a replacement. The participant **MUST** contact the trip leader to give notification of their desire to cancel and get the names of those on the waiting list.

B. The cancellation policy covering costs, penalty fees and refunds will be stated in the official announcement for each trip.

C. LSC shall not be responsible for trip cancellations or delays due to events or conditions not within the control of LSC. In such an event, the trip chairperson and trip leader will make every effort to recovery any costs. To the extent that such costs are able to be recovered, appropriate refunds may be made to the trip participants at the discretion of the BOD. Optional travel insurance is available through various insurance companies.

4. ROOM REQUESTS:

A. Room requests should be specified on the application form. Although every effort will be made to honor these requests, we cannot guarantee them due to lodging configurations.

B. Trip Applicants are encouraged to sign up as a full unit. If the applicant does not have a full unit they must be willing to accept and pay for the best available rooming option as determined by the trip leader.

5. RELEASE OF LIABILITY: By signing this trip application form the following stipulations apply. It is understood and accepted that skiing/boarding is an inherently dangerous sport with associated risks. All such risks are assumed, whether skiing/boarding or non-skiing. LSC, its Board of Directors or trip leaders shall not be held responsible for any claims, injuries, or losses of any kind as a result of participation in this trip or activity.

6. TRIP CHANGE POLICY: The Lancaster Ski Club reserves the right to make changes in trip details where such changes are in the best interest of the Lancaster Ski Club and the trip participants. Neither Lancaster Ski Club nor its representatives assume any obligation or responsibility for any matters not within their control. **Any fuel surcharges/taxes and/or supplements added after the initial pricing of the trip at signup are the sole responsibility of the trip participant.**

7. ILLEGAL DRUGS AND ALCOHOL POLICY: LSC and its members will strictly adhere to any and all Foreign Countries, U.S. Federal and state laws regarding the use of alcoholic beverages and/or illegal drugs. As stated in the LSC constitution and by-laws, membership may be revoked by the Board of Directors for behavior not consistent with good sportsmanship or otherwise detrimental to the reputation of the Club.
