

To whom it may concern,

Did you know there is a Lancaster Ski Club? We have been around since 1946 and have 300+ members. We are a non for profit ski and snowboard club. We proudly host social events year round, as well as ski the world with our various winter trips.

Several years ago, we hosted our very first charity auction. It is in memory of one our our beloved life long members, Jack Kalasky. With several community donations we have raised money to be able to give back to our community. Our most recent organizations we have donated to is the Special Olympics as well as 6 local area High Schools that have ski Clubs.

For the Special Olympics, our donations have provided new ski gear such as jackets and helmets. We also host them on one of our day trips to Elk Mountain. We get such joy from seeing all of their smiling faces on the slopes and they have become such a huge part of our club.

As we know, skiing is costly. Giving back to high school ski clubs has allowed us to sponsor their major trip of the year. This has allowed kids who never had an option financially to be able to experience the thrill skiing and snowboarding provides. Our donation goes such a long way to either provide transportation and/or lift tickets to get these kids on the slopes.

We are deep rooted in our community and we hope you would provide a donation to allow us to raise money at our upcoming auction on November 17, 2022 located at the DoubleTree Resort by Hilton Lancaster.

I appreciate your time and I look forward to hearing from you!

Sincerely,

Kristina Miller  
Lancaster Ski Club
