## Spring Dance & Silent Auction

**April 27, 2024**

**WE NEED YOUR HELP!**

We are beyond thrilled to be able to host our auction this year! We are looking for new items to be donated. We can not pull this off with out your contributions.

In the past, we have donated the proceeds to Special Olympics, and local area high schools to allow kids to go on their major trips. We have received a tremendous amount of feedback on how much this means to them!

Let's get to raising some money!!

**We are collecting items up until**
